Important Notes for Suppliers		Chemical Products	Packages
1	<p><b>Designation of documents</b>                      The Klüber order number and the article number must be entered into every document, e.g. confirmation of order – delivery note – invoice – other documents</p> <p>On <b>invoices</b> in addition it is necessary to indicate</p> <ul style="list-style-type: none"> <li><b>first and last name, or the e-mail address of the person having placed the order</b></li> </ul>	X	X
2	<p>As general rule, we expect <b>written confirmation</b> within 3 working days upon receipt of our order.                      The <b>confirmation</b> should be sent to the <b>sender's order mail</b> address or to <a href="mailto:compras@es.klueber.com">compras@es.klueber.com</a> or fax number +34 93 573 84 06.</p> <p>The confirmation of an order should bear the exact day of delivery.                      We <u>do not accept</u> delivery dates such as "arriving approx. on", "calendar week" etc.</p> <p>Date changes shall be advice as soon as possible.</p> <p>Deadlines for communication deviations are given in our "Information for Suppliers", section 11, "Meeting deadlines"</p> <p>Any deviation between the confirmed and goods receipt date, will affect your supplier assessment negatively, even it could be possible to issue a complaint if the late delivery would affect our productions..</p>	X	X
3	<p>Our internal <b>delivery address and timetable</b> (see order, top left) states on all our orders and must be adhered to.</p> <p>Goods delivered in tank truck must respect the downloading timetable (from 7 am to 15:30 pm). Expenses that happen due to download out of timetable will be responsible of the supplier.</p>	X	X
4	<p><b>Delivery papers / Delivery note</b>                      With every delivery the respective delivery note is required and to be presented.                      The delivery note shall include at minimum:</p> <ul style="list-style-type: none"> <li>- Klüber order and article number</li> <li>- Product designation</li> <li>- Amount</li> <li>- Type and number of packaging units</li> <li>- Gross-, tare- and net weight</li> <li>- Batch Number(s)</li> </ul> <p>In addition, for goods supplied in <b>tank truck</b>, it is required to present at unloading time:</p> <ul style="list-style-type: none"> <li>- <b>Cleaning Certificate</b>, ECD (European Cleaning Document) as specified by EFTCO (European Federation of Tank Cleaning Organisations) or CEFIC (European Council of Chemical Manufacturer's Federations)                      Cleaning must be ensured for the tank as well as for all associated pipes and air lines.</li> <li>- <b>Ticket with the weight</b></li> <li>- <b>Air pressure system (pump or compressor)</b></li> <li>- <b>The tank must be sealed with a numbered seal (same number and documents)</b></li> <li>- Other specific measures you could see in the order</li> </ul>	X X X X X X  X	X X X         X
